IAADFS MIAMI: BOTTEGA INTRODUCES PROSECCO PREMIUM VINTAGE COLLECTION

From 8 to 11 March the Italian winery and distillery will be showcasing (booth # 700 at Intercontinental Hotel Miami) its new products at the IAADFS Exhibition

At the Duty Free and Travel Retail show held in Miami, Bottega will present Bottega Gold Diamond, and the other releases of the prestigious Prosecco Premium Vintage Collection.

The new premium Prosecco line, called "Prosecco Premium Vintage Collection", is characterised by unique features that raise the quality of this sparkling wine to 360°: Selection of individual vineyards in the most suitable parcels among the Unesco Heritage Hills; Glera grapes cultivated under the banner of sustainability and harvested only by hand at the moment of their perfect ripeness; Pre-fermentation cryomaceration, to fully safeguard the organoleptic charge of the grapes; Maturation in new 'horizontal' autoclaves, the result of the most advanced technological research applied to qualitative oenology; Long fermentation periods (up to 12 months, where Prosecco normally reaches around 1 month), to obtain wines with different organoleptic expressions depending on the individual vintages and the different crus. In short, top quality in the oenological world and prices of up to 250 euros per bottle, for wines that have nothing to envy to the various Metodo Classico and French Champagnes.

Bottega Gold Diamond is a Prosecco Doc Extra Brut. It is the last release, recently launched and part of the prestigious Prosecco Premium Vintage Collection, a project to enhance Prosecco that Bottega began developing more than ten years ago. The aim is to produce sparkling wines of the highest quality by extending fermentation time and thus obtain wines with a more complex character and good longevity.

Bottega Gold Diamond is a Prosecco Doc Extra Brut, vintage 2022, that originates from grapes coming from a single vineyard and is produced with the exclusive Bottega method with long fermentation (minimum 9 months) in horizontal autoclaves. It is characterized by fine and persistent perlage. The elegant, typical and refined bouquet is enriched by notes of juicy apple and pear, distinctive bread crust aromas and spicy hints of sage and marjoram in the finish. The dry, sapid and persistent taste is completed by aromas of ripe fruit and bread crust, recalling the olfactory notes.

The Bottega Gold Diamond bottle has its unmistakable mirrored effect and it is adorned with crystals spelling out the brand Bottega.
